

AUGUST 2023

OUR SAVIOR EARLY LEARNING CENTER

FAMILY NEWSLETTER

As summer begins to wind down and we start thinking about the upcoming school year there are a lot of important information you will be receiving via student files and emails. Please make sure to check these locations on a regular basis and return needed items promptly. This newsletter also highlights some of the most important information regarding our center over the next few months. If you have any questions or need any clarification about the information provided please contact the office ASAP.

Health Forms

You have received Health Summary and Immunization forms that need to be filled out for each student at the beginning of each school year. These updated forms, including ICCP forms for allergies or special needs as well as the lavender emergency cards (placed in your child's communication folder) are an important part of your students file and are *required*. **These forms need to be completed and returned to the office by September 15.** If you have any questions please address them with the office as soon as possible. This will allow you adequate time to receive these forms back from your child's doctor if necessary.

August Events

We have enjoyed several extra activities this summer by Dodge Nature Center specialists, a field trip to the Children's Museum, Teddy Bear Band, Four Ace Productions with special children's programming and Water Wednesdays. The last field trip of the summer will be to Good Times Park on August 15. If you have not returned your permission slip, please do so ASAP. The week of August 21st will be the last week for most of our outgoing preschoolers before kindergarten. If your child is out on summer break, please confirm in writing, and if you have not already done so, their return date. **We have limited availability for students who have not already notified us in writing of early return after summer hold, for any weeks before September 5. The last day to notify us of early return will be July 31. Transition Day for all children moving up to a new room will be August 30, unless you have been notified otherwise. You will receive an email from us mid-August if your child will be moving up.**

Center Closings

On August 28 & 29 OSELC will be CLOSED for all students. These two days will serve as our staff development and deep cleaning days. Additionally, OSELC will be closed on September 4th for Labor Day. Our 2023-2024 school year will begin on September 5th.
