

**Our Savior Early Learning Center
Family Newsletter
January 2021**

Happy 2021 we are very excited to spend this year with your child(ren) and family. Last year brought a lot of unknowns into life. Hopefully, things will begin looking and feeling more normal this year. We will continue to communicate with you any changes in policy or procedures.

Tuition Increases

On January 4, 2021 you will notice the new tuition rate reflected in your payment. Please address any questions about this directly to the office or review the email sent on December 10th.

Winter Weather Conditions

In the event of winter weather conditions OSELC will follow District 196 as we have in previous years. They are expected to be back in session full-time in January. *We will confirm a closure with families via email. If you have not been receiving our emails now is a great time to let us know so that you don't miss this information, if necessary.*

Please make sure if a storm hits during the day and may affect your arrival time to the center to plan accordingly and let staff know if you will arrive near closing time. We understand there are occasionally circumstances that will delay your arrival, especially during the winter months; however staff, and your child begin to worry about you if you are significantly later than a typical pick up time. If you plan to have someone help with pick-up in the event of your delay please make sure to let the office know and have them bring their identification.

Winter Carnival and Kinderkonzert

Unfortunately, we are still unable to host family nights or field trips. Thank you for understanding that these events are canceled for the health and safety of our center, staff, and your family. We will resume events as soon as it is safe to do so.

Scholastic Book Orders

If you would like to order from the January scholastic order please submit your orders by January 27, 2021. You may select to have your books shipped to the center or your home for free if your order is at least 25 dollars. Additionally, by ordering books with our classroom link you help us earn free books to use in our center. Our classroom code is: *HMMJ2*.
