

## **Our Savior Early Learning Center Family Newsletter January 2022**

**Happy 2021 we are very excited to spend this year with your child(ren) and family. Last year brought a lot of unknowns into life. Hopefully, things will begin looking and feeling more normal this year. We will continue to communicate with you any changes in policy or procedures.**

### **Tuition Increases**

**On January 3, 2022 you will notice the new tuition rate reflected in your payment. Please address any questions about this directly to the office or review the email sent on November 29<sup>th</sup>.**

### **Winter Weather Conditions**

**In the event of winter weather conditions OSELC will follow District 196 as we have in previous years. December 10, when the snowstorm took us by surprise, we chose not to close since the storm had stalled. We apologize if this caused confusion. Going forward we will resume following our policy. *We will confirm a closure with families via email and text message.* Please make sure if a storm hits during the day and may affect your arrival time to the center to plan accordingly and let staff know if you will arrive near closing time. We understand there are occasionally circumstances that will delay your arrival, especially during the winter months; however the staff, and your child begin to worry about you if you are significantly later than a typical pick up time. If you plan to have someone help with pick-up in the event of your delay please make sure to let the office know and have them bring their identification.**

### **Winter Carnival and Kinderkonzert**

**Unfortunately, we are still unable to host family nights or field trips. However, we are able to bring Kinderkonzert on site for a in-house field trip on January 25. The orchestra will bring instruments and curriculum to our school to share with the 3's and 4's separately based on the book "One Dog Canoe). Thank you for understanding that these events are canceled for the health and safety of our center, staff, and your family. We will resume events as soon as it is safe to do so.**

### **Scholastic Book Orders**

**If you would like to order from the January scholastic order please submit your orders by January 25, 2022. We apologize that Scholastic has been backordered this year, but reading to your child is still one of the most important indicators of success in school. Additionally, by ordering books with our classroom link you help us earn free books to use in our center. Our classroom code is: *HMMJ2.***
