

Our Savior Early Learning Center

Family Newsletter

November 2021

November is a month to remember all that we are thankful for. We are so blessed as a center to have so many amazing staff and families. We are also very thankful for the fact that we have been fairly healthy as a center over the past few months. Please continue to limit the amount of time you spend here at drop off and pick up. Ideally, parents/caregivers should only be in the building no longer than 15 minutes TOTAL for both times. Hallways should be utilized as much as possible for parents waiting on children or moving about the building. This will help minimize the germs entering our classrooms. If your child needs assistance getting a beverage, washing hands, putting items somewhere else in the classroom, etc. please ask a staff member to assist your child. Thank you for keeping your sick children home and being clear and timely when reporting illness to the center, as well as testing for COVID when necessary. Staying clear of COVID means we can continue to operate and meet the care needs of all the families we serve.

Fall Conferences

Fall conferences will be conducted as they were last year. We will be sending home assessments next week. We offer a telephone conference for all parents who would like to meet with your child's teacher(s). If you desire to have a telephone conference, please email the office and we will set up a time during the week of November 8.

Grandparents Day

We will NOT be holding Grandparents Day this year due to the continued impact of COVID-19. We hope to resume next year!

Thanksgiving

Our Savior Early Learning Center is will be closed on November 25th and 26th. If you plan to be out of town and miss additional days that week please let the office know as soon as possible.

Winter Weather Gear

The weather is officially cooling off for the season. Please send your child with a **labeled** jacket, hat, and gloves every day! Please start to gather and label your child's full winter gear and a reusable bag to bring in as well! Our classes will continue to play and explore outside as the temperature continues to drop and the snow starts to fly. We want your child to be warm and cozy while playing outdoors but we can't do that without your help!

Book Orders

Scholastic Book Order for September will be shipped on October 29th. The company has apologized for the delay. Look for your books soon!
