

October 2021

Our Savior Early Learning Center

Family Newsletter

This school year is off to a great start! The children are making new friends and getting used to the new routines. Fall weather has arrived and we will continue to spend as much time as possible outside. Please remember to send your child with a fall jacket and closed toe shoes for outdoor play.

Fall Events

Due to the continued COVID situation, we are unable to host our annual Family Fest or schedule our Apple Orchard Field Trip. However, we will celebrate fall within each of our classrooms. Teachers will include units covering the typical fall topics such as Apples, Pumpkins and colored leaves. On Wednesday, October 27 we will be inviting all students to wear their costumes for the first ½ of their day. Please make sure the costume you send your child in takes into account their potty training, is school appropriate, and does not include a mask. You will hear more about classroom specifics from your child's teacher. Please watch for more information from them in the coming weeks.

Staying Safe and Healthy

Thank you to all our families who are keeping sick children home and staying on top of communication to the office when illness occurs so that we can notify parent in a timely manner. RSV and the common cold have been circulating the center. We continue our extra cleaning and sanitizing daily of surface, toys and other items in the classroom. Thank you for once again wearing your mask at pick up and drop off, as well as limiting your time in the hallway during those hours. If you need extra time to chat with your child's teacher, we are more than happy to set up a phone meeting for you. Contact the office if this is something you are interested in.

Fall Conferences

Fall assessments will be sent home the first week of November. In person conferences may be arranged and would be very brief, less than 10 minutes in length, but a telephone conference is preferable. Available times will be sometime offered the week of November 8.
