

October 2020

## Our Savior Early Learning Center

### Family Newsletter

This school year has started out different than previous years but has been equally great! Our classes are finding their groove, our playground renovations are nearly complete, and friendships are blossoming! The weather will continue to change in the coming weeks, as the weather grows colder, please begin gathering winter gear for your child(ren). All of our classes, except for infants will go outside to play as long as the weather isn't too cold.

#### Cleaning Day

October 16 we will be closed. This will allow staff to come into their classrooms and provide a more thorough cleaning. COVID regulations require deep cleaning to happen more frequently. Cleaning days for November and December are built into our schedule already. We apologize for any inconvenience this may cause but appreciate your understanding.

#### Volunteers

This fall we are unable to attend field trips and host our Family Fun Night. If you have special talent or skill, have a special job, or know someone that does, we would love to speak with you about how we could create a fun learning experience for our child(ren). We will need to make sure we are able maintain social distancing and meet other requirements set forth by MDH for COVID.

#### Fall Family Fest

Due to COVID-19 restrictions causing us to cancel our Fall Family Fest each of the classrooms within the center will be celebrating fall in their own unique ways this year, with one exception. On October 30 we will be inviting all students to wear their costumes for the first ½ of their day. Please make sure the costume you send your child in takes into account their potty training, is school appropriate, and does not include a mask. You will hear more about classroom specifics from your child's teacher. Please watch for more information from them in the coming weeks.
